

HILLS ARCHERS NEWS ARCHIVE 2017/2018

18/05/2018

We are going cashless.... almost

We now have a Square card reader at the Club, and we can accept payments (no minimum amount) by credit/debit card (VISA or MasterCard).

So, if you forget to bring cash or worry about the inconvenience, you'll put us through in breaking that \$100 note (!), then don't fret - card payment is the way to go.... and we can email you a receipt on the spot.

Members, please note that annual membership fees are still required to be paid online and won't/can't be accepted through the card reader.

(Clearly, a very slow "News" Year!)
